PROJECTS

▶ **Personal Portfolio Website**

- Developed a responsive personal website using React.js to showcase my skills and projects.
- Implemented a clean and user-friendly design to highlight my web development expertise.

▶ **E-commerce Website Prototype**

- Developed an e-commerce app from scratch, incorporating user-friendly navigation, product listings, product categorization, and shopping cart functionality.

▶ **ToDo App**

- Built a robust ToDo app that enables users to manage tasks with full CRUD (Create, Read, Update, Delete) functionality. Users can register, sign in, create, view, edit, and delete tasks, ensuring effective task tracking and organization.

▶ **Responsive Admin Dashboard**

- Designed and developed a static responsive admin dashboard with clean, intuitive UI using HTML, CSS, and JavaScript.
- Ensured cross-browser compatibility and optimized performance.

EDUCATION

▶ **Bachelor of Science in Geophysics**
University of Lagos, 2012 - 2017
